

COMMENTS AND RESPONSE

In the Notice of Drawing Inconsistency with Specification dated July 10, 2007, the Patent Office noted that FIG. 3C is contained in the Drawings, but is not listed in the Brief Description of the Drawings in the specification.

By this Supplemental Amendment, Applicant has corrected this inconsistency by amending paragraph [0100] to refer to "Figs. 3A-3C" rather than "Figs. 3A and 3B." No new matter is added in this amendment.

In view of the amendments above comments below, Applicant respectfully requests that the Patent Office acknowledge that this Supplemental Amendment cures the identified inconsistency, and withdraw any objection to the drawings. If questions relating to patentability remain, the Examiner is invited to contact the undersigned by telephone.

Although it is not anticipated that any additional fees are due or payable, the Commissioner is hereby authorized to charge any fees that may be required to Deposit Account No. 50-1147.

Respectfully Submitted,

Brian C. Altmiller
